What to Expect

PTO is the only educational and networking forum that focuses exclusively on EPS manufacturing issues. It's where manufacturing experts present what's new and cutting edge in EPS molding while meeting and networking with fellow associates from around the world. PTO 2017 will feature quality presentations and information on manufacturing sustainability, machinery advancements and safety and manufacturing. Recommended attire is business casual. Weather conditions will be 50-65°F.

About EPS-IA

The EPS Industry Alliance was forged on January 1, 2012 by merging the EPS Molders Association and the Alliance of Foam Packaging Recyclers. With more than 20 years of experience, knowledge and expertise, EPS-IA is the most respected organization for the EPS industry in North America. EPS-IA is a focal point for the industry, providing leadership on all major strategic issues affecting EPS products.
